UMPQUA COMMUNITY COLLEGE

BOARD POLICY

BOARD POLICY SERIES NUMBER: 308

TITLE: SMOKING; USE OF INTOXICANTS, CONTROLLED SUBSTANCES

No smoking is permitted at any time in any Umpqua Community College campus building. Smoking is permitted in designated smoking areas identified outside each campus building.

No person may use any intoxicant or controlled substance (unless prescribed by physician), nor appear under the influence of such at any Umpqua Community College facility. Alcohol may not be consumed by any person at any Umpqua Community College facility except at an event that has been approved to serve alcohol by the College President. A violation of this policy may result in disciplinary action up to and including expulsion from classes, employee discipline, and disqualification from use of campus facilities. At the discretion of the College, any employee violating this policy may be required to satisfactorily complete an alcohol abuse assistance or rehabilitation program as a condition of continued employment.

Alcohol may be given as gifts or auctioned, but may not be opened on any Umpqua Community College facility.

Alcohol will only be served by approved businesses carrying the proper insurance, holding a valid liquor license, and having licensed servers. UCC will comply with all rules of the Oregon Liquor Control Commission.

Non-College-sponsored events which occur on campus at which alcohol may be sold and/or served require the responsible party to provide a $1,000.000 (one-million dollar) insurance policy with the College names as additional insured, and require prior approval by the Vice President for Administrative Services. College sponsored events with alcohol service also require prior approval of the College Vice President for Administrative Services.
