UCC MISSION

1. Promoting student access and success
2. Supporting quality learning and achievement through Academic Transfer Education
3. Support quality learning and achievement through Career and Technical Education (CTE)
4. Supporting quality learning and achievement through Student Transitions Educational Program (STEP)
5. Serving our community through quality, life-long learning in the areas of cultural, economic, workforce, self-improvement and professional development.

PROCESS

Step 1: The Evaluator will complete the review instrument using data gathered from a variety of sources (i.e., correspondence, documentation about performance such as kudos or complaints), and in alignment to the essential functions of the Job Description. The employee has the option to provide input.

Step 2: Evaluator and classified employee MUST meet to go over the review together:

- (a) Review the Job Description to ensure accuracy
- (b) Discuss each evaluation category
- (c) Evaluator will complete the final review, and classified employee signs the review; employee may submit a rebuttal in writing for inclusion in their personnel file
- (d) Evaluator sends signed original to UCC Office of Human Resources and gives a copy to employee.

Step 3: If deficient performance issues were identified, a Plan of Assistance will be created. This plan should include a strategy and action steps for remediation, time-lines and a follow-up date for review. The evaluator will work with Human Resources on this plan.

Key Responsibilities

List the employee's key responsibilities or primary purpose. Refer to Job Description and update if necessary. "Key responsibilities" are the major functions or major areas of responsibility assigned to the position.

Review of Past Performance Objectives:

SECTION 3

PERFORMANCE HIGHLIGHTS

(To be completed by employee. Supervisor has option to provide input.)

The Performance Highlights section is provided to help the employees give a complete picture of what they have accomplished this year (Accomplishments), and then identification of knowledge, skills, or abilities they are interested in growing (Growth areas). This is also an area where the supervisor can provide input to proactively identify areas of growth. This section can also help the employee and their supervisor to begin identifying objectives to consider in the employee's development plan (page 11).
