HUMAN SERVICES
ASSOCIATE OF SCIENCE: ARTICULATED WITH THE INTERDISCIPLINARY BACHELOR OF ARTS OR SCIENCE IN SOCIAL SCIENCE (HUMAN SERVICES PROGRAM) AT SOUTHERN OREGON UNIVERSITY — 90 CREDITS

CAREER DESCRIPTION

The Associate of Science degree is based on a signed articulation agreement with Southern Oregon University (SOU). The SOU departments of psychology and sociology/anthropology offer an interdisciplinary bachelor's degree program focusing on the needs of human service professionals, a Bachelor of Arts or Science in Social Science. The UCC Associate of Science (AS) degree is fully articulated with SOU's Human Service program and allows students to transfer directly as juniors into the program at SOU with no loss of credits to pursue a bachelor's degree. Students should contact the SOU Human Services program early in the first year of the AS program to be advised about additional requirements and procedures for admission to the school or program. Students should be aware that if they transfer before completing this degree, their courses will be evaluated individually toward the general education requirements in effect at SOU.

GRADUATION REQUIREMENTS

Students must complete a minimum of 90 term credits of lower division collegiate courses with a minimum grade point of 2.0 and a grade of C or better in Writing 121, Writing 122, and the Speech class chosen to meet the Oral Communication requirement.

Students who have graduated from high school or completed a high school equivalency program in 1997 or after must meet the Second Language requirement for admission to a four-year Oregon state college or university (see page 37). If students plan to complete a Bachelor of Arts (BA) degree at a four-year school, they must have a proficiency in a World Language regardless of when they graduated from high school or equivalency program. (Students interested in pursuing a Bachelor’s Degree related to Human Services at other institutions should consider the AA/OT. The AA/OT degree can facilitate completing lower division coursework before transferring to complete their degree, although it may not satisfy all program major requirements in the new setting. Students interested in the AA/OT should consult with the Human Services Program coordinator or other advisory staff.

Note: SOU Human Services Baccalaureate Graduation Requirements: Minimum GPA of 2.5 is required for graduation and no grade below C- allowed in all upper division HS major coursework or lower division coursework directly applied to the Human Services degree requirements. For admission to the SOU Human Service Program, UCC students who commence this AS degree Fall 2013 or later must earn a minimum grade of B or higher in MTH 243, PSY 201, PSY 202, PSY 203, HDFS 201, HS 155, HS 229, HS 265, and SOC 204.
