

Disability Services

Returning Students

Welcome Back!

Here's how you can get accommodations set up for the new term. Be sure to begin these steps immediately after you've registered for classes and before the term begins:

4 Easy Steps

1. Meet with Disability Services (DS) to complete an “Approved Academic Accommodations” form for the term.
2. Request Accommodations/Provide current term schedule.
3. Discuss your accommodations with your instructors.
4. Review Tips for Success

Review Tips for Success

- Be organized. Keep all of your class material in a 3 ring binder.
- Use daily, weekly, and semester calendars to keep track of due dates and appointments.
- Attend class, get to know your instructor, make sure they know you, sit in the front of class. Know your instructors office hours.
- Establish a regular study routine, and study during daylight hours.
- Use your campus resources-tutoring, advising and career services.
- Take care of your health.
- Stay in contact with the office of disability support services and your professors.

Have a great term!
