Advising and Career Services

No matter where you are in your educational path, we want to help you become successful in college and career ready.

- Disability Services
- Academic Advisement
- Career Exploration
- Testing Services
- Crisis Counseling
- TAPIN

Our Center is committed to your success as a student. Trained professionals provide a variety of student services to meet your individual needs in completing your educational goals. *Stop by to see us in the Campus Center Building.*

NEW! The **Mentor Project** matches students with a staff or peer mentor to provide additional educational and college support and encouragement while navigating the education process of enrollment at UCC through their first year of attendance. Call the TAPIN office for more information or to sign-up at 541-440-7873.

YOUR ROAD TO SUCCESS

**Academic advisement** offers assistance in course placement, selection and UCC program requirements. Term-by-term planners are designed by students with an advisor/counselor the 3rd, 4th and 5th week of each term for new and continuing students.

Individualized **career exploration** is available to help students get started on a successful career path. The opportunity to review current labor market information, utilize online career resources and/or take a career assessment with a professional interpretation is available to help find a career or major that fits an individual’s interest.

**Crisis counseling** sessions are available to currently enrolled students. Up to three one-hour sessions focus on a specific plan of action, identification of community resources and referral for on-going personal counseling needs. No appointment is necessary.

The **job placement** office provides referrals for students seeking employment to supplement their education. Posting of current, off-campus positions available throughout our community are updated weekly. If you are an employer and would like to post your open position(s), call 541-440-7797. Posting may be found at: www.umpqua.edu/student-job-placement.

MISSION STATEMENT

Umpqua Community College provides accessible and affordable quality college education, life-long learning opportunities, workforce training, and cultural programs for our communities.

GOALS

- The College will expand opportunities in current and new post-secondary transfer and professional/technical education programs that lead to continued learning activities and desired employment.
- The College will increase opportunities for enrollment in Adult Basic Skills Development programs for students who are not college or work prepared.
- The College will enhance life-long learning programs that increase opportunities in workforce training, economic development, job preparation and upgrading, personal enrichment, and cultural well-being for our students and community.
- The College will develop new strategies, methods, and resources to access post-secondary educational programs and life-long learning services.
- The College will promote and support a positive learning and working environment to encourage student and employee success.
A NEW COMMENCEMENT STARTS WITH A BIG SCHOLARSHIP — UCC’S FOURTH FOR A 2012 GRADUATE TO TAKE INTO THE FUTURE

The contribution UCC makes to the education, culture, quality-of-life and economy of Douglas County comes from our people — our students and graduates, our faculty, our administrators and staff, our Board of Trustees, our advisory committee members and the voters.

The scholarship amounts to $30,000 per year and is intended to cover a significant share of the student’s educational expenses — including tuition, living expenses, books and required fees — for the final two or three years necessary to achieve a bachelor’s degree.

Keeping our college accessible to the members of our community who want or need a post-secondary education is high among our concerns. As individuals, as families and as a community, we are undergoing severe economic pressure. The college feels its own strain.

But, even in the face of that, we cannot and will not overlook the contribution a higher education in the liberal arts makes to our quality of life — as well as to our economy and, indeed, to our democracy.

In this election year, our nation is grappling with many seemingly intractable problems. A sense of history, a knowledge of science, the imagination of literature, all are necessary for us to act as responsible citizens. UCC is proud of the many leaders in our community who are among our graduates. They are physicians, educational administrators, winemakers, businessmen and women, military veterans, auto mechanics, journalists and political leaders, just to name a few of the professions they hold.

But, that just describes their jobs. They know that once they depart UCC with their degree or certificate, more is now expected of them to make Douglas County work — and they take the lead.

Students are to read and abide by the contents of the current UCC Catalog, which sets forth the terms and conditions of enrollment and supersedes and replaces any previous Catalog. Circumstances will undoubtedly require that the policies, procedures, rules, and benefits described in this Catalog change from time to time as the College deems necessary or appropriate, and those changes will be valid when approved by UCC administration and/or voted by the Board of Trustees. Those changes will be posted on Riverhawk Web and the UCC website and when appropriate, will be incorporated in future editions of the UCC Catalog.

A grievance procedure and binding arbitration is provided for any dispute or claim (including those based upon a statute, tort, or public policy) that a student has with the College regarding the terms and conditions of enrollment by the College.

GETTING STARTED

IF YOU ARE NEW TO UCC, WE RECOMMEND THE FOLLOWING STEPS TO GET YOU OFF TO A SUCCESSFUL START:

1. Complete an Application for Admission (page 95) and return to the Admissions office by mail, fax, online at www.umpqua.edu, or in person at Campus Center (with $25 application fee).

2. Submit a Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov by April 1 for priority consideration.
   The FAFSA is the federal application for financial aid, but it is also used to apply for aid from other sources, such as your state or school.
   Students seeking financial aid will need to contact the Financial Aid office on campus if assistance is needed.

3. Students who have completed coursework at another college or university and are seeking a degree, must submit official transcripts from the previous schools.

4. Take the college placement tests (or have your SAT/ACT scores evaluated at the Advising and Career Service Center located in the Campus Center. Students who have official transcripts which demonstrate a grade of C or better in a college course in writing or math may not be required to take the placement test. Placement test scores are good for one year. Please call 541-440-4610 for available times.)

5. Meet with an advisor in the Advising & Career Service Center to map out your education. Your adviser can assist you whether you are undecided, want to go on to a four-year college and graduate school, if you want an AA degree or one-year Certificate or if your plans change after you start at UCC.

6. Review the college catalog and this Schedule of Classes to become familiar with important dates, policies, procedures, rights and responsibilities.

7. Attend New Student Orientation.

GETTING REGISTERED

REGISTRATION IS AVAILABLE FOR ADMITTED, ENROLLED AND RETURNING STUDENTS ONLINE OR IN PERSON.
Please refer to pages 18-23 in this Schedule of Classes, which provides additional information with regard to dates, tuition rates, policies and academic regulations. The following is a suggested checklist for students to complete their registration:

- Update your student record with the Registration Office if your name, address, phone number and/or program of study have recently changed.

- Review your education path with an advisor in the Advising and Career Service Center.

- Review the current Schedule of Classes and select the courses you wish to register for.

- Clear outstanding debt or prior term balances with Student Accounts.

- Register online or in person at the Registration Office.

- Make arrangements for payment with Student Accounts.
ONLINE REGISTRATION

Listed to the right are instructions for web registration. Remember to verify your address (both physical and e-mail) and personal information on a regular basis as this information is used to contact you in an emergency and/or for correspondence. If you encounter any problems, call 541-440-7808 Monday through Thursday, 7 a.m. - 5 p.m. during summer term. Once you have applied for admission and been admitted to UCC, then seen an advisor, the registration process is easy! Simply click through the lists of options, enter the #s for the courses you wish to take and you’re done! To complete the process, you will need to complete the worksheet below, and have your username and password ready.

#### WHO MAY ENROLL?

UCC has an “open door” policy and will admit students who meet any one of the following entrance requirements:

- Graduates from an accredited secondary school.
- Individuals who have earned the GED Certificate of Equivalency or an Adult High School Diploma.
- Non-high school graduates who are 18 years old or over and whose high school class has graduated.
- Individuals who are 16 or 17 years old who are not required to attend high school and who furnish a written “Release from Compulsory School Attendance” may make application as a special student (ORS 339.030).
- Students who are attending high school as juniors or seniors who present written approval from their school officials. Course load must be approved by both schools.
- Some programs have special program requirements other than listed above.

If you are a citizen of another country you must meet certain federal immigration and college requirements before admittance to Umpqua Community College. International students can request special application materials from the UCC website.

Non-credit students are not required to submit a formal application.

#### AFFIRMATIVE ACTION

It is the policy of Umpqua Community College to provide equal educational and employment opportunities and to provide service benefits to all students and employees without regard to sex, race, color, religion, national or ethnic origin, age, sexual orientation, marital status, disability or any other status or characteristic protected by applicable state or federal law. This policy is in accordance with the laws enforced by the Department of Education and Department of Labor, including Presidential Executive Order 11246, as amended by the Civil Rights Act of 1991, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Acts of 1974-75, the Americans with Disabilities Act of 1990 and Oregon Revised Statute 659.030.

Inquiries regarding application of these and other regulations should be directed to the Office of Affirmative Action.
to the College's Human Resources Office 541-440-4626, the Office of the Vice President for Administrative Services 541-440-4631, the Office of Civil Rights, Department of Education Office, Seattle, Washington; or the Office of Federal Contract Compliance Programs, Department of Labor, San Francisco, California. (revised 05/06).

STUDENT CODE OF CONDUCT

Students at Umpqua Community College are expected to conduct themselves in a manner compatible with an educational environment and in accordance with standards of the college that are designed to perpetuate its educational purpose. The Student Code of Conduct describes:

1. The responsibilities, rights and freedoms offered to students, and
2. The conduct that would interfere with the educational mission of the institution.

Students can access the Student Code of Conduct online at www.umpqua.edu/FormPubs/Other/Student_Code_of_Conduct.pdf. A hard copy of the document can be picked up from the Student Life Office, located in the Campus Center.

STEPS FOR NEW CREDIT STUDENTS

1. Application
   A. Complete an application in the Campus Center Admissions Office or download a copy at www.umpqua.edu, and pay the $25 application fee.
   At the same time:
   B. Students interested in Financial Aid should contact the Financial Aid Office and begin the application process.
   C. Submit official transcripts from other college(s) to UCC Admissions.

2. Placement Test
   Take the free placement test, which is offered on a walk-in basis in the Advising and Career Service Center located in the Campus Center. Fees will be charged for re-testing.

3. Advising
   A. Following the placement test, an academic advisor will interpret the results, answer questions and help schedule classes. A professional advisor will answer additional questions you may have regarding starting college, college resources and your career options. Professional counselors are also available to all students to assist with personal issues, which may be barriers to college success. The placement test, transcripted college courses, and recommendations from instructors may be used to place you in the appropriate classes.

4. Registration
   Register on a walk-in basis and make arrangements to pay for classes (See the academic calendar printed each term in the class schedule, and on the web for dates and deadlines.)

5. Orientation
   Attend New Student Orientation Workshop. Check online for days and times.

RETURNING CREDIT STUDENTS

(degree seeking) Students not absent for more than one year.

1. The Advising Center will assist you to develop a schedule on a walk-in basis. A Term-by-Term Planner must be completed prior to registering for a second term or if you have changed your major.

2. If you plan to receive financial aid, check with the staff in the Financial Aid Office. If you are to receive veterans benefits, see the Veterans Coordinator. Remember, it takes 6-8 weeks to verify eligibility.

3. Continuing credit students who haven't been absent for more than a year may register by web or walk-in registration.

4. Continuing credit students who have been absent for more than one year must readmit before registering. (No charge for re-admission).

EARLY REGISTRATION AND PAYMENT

When a student registers early for a subsequent quarter or quarters, you are agreeing to pay the tuition and fees due. If you have no schedule changes, you may mail your check (with student name and identification number), or drop off the check at the Cashier’s Office by the dates listed for each term.

PAYMENT OF TUITION AND FEES

Tuition and Fees for Summer Term may be paid in one of the following ways:

1. Payment in full or online payment plan by June 21.
2. Approved Financial Aid. Registration AFTER June 21 must be accompanied by payment in full or online payment plan.

Failure to pay may result in being dropped from classes.

Any unpaid debts will be put into the collections process thirty days after the end of the quarter. Appeals may be submitted to the Finance Office.

Other Financial Resources

Students who are receiving financial assistance from sources outside of the college must work with the source to meet the deadlines required by the UCC registration system.

OUTSTANDING FINES / DEBTS

If you owe library fines or other monies to the college, you will not be allowed to register until all such debts have been cleared through the college Cashier’s Office.

CANCELLATION OF CLASSES

The college reserves the right to cancel any class because of extenuating circumstances, such as low enrollment.

REFUNDS

Credit Tuition Refunds

Students who withdraw from one or more UCC courses and who have complied with regulations governing withdrawals are entitled to certain refunds of tuition depending on the time of withdrawal. Refunds are limited to students who comply with withdrawal procedures. See Withdrawals in the college catalog on the website at www.umpqua.edu/acadlink.htm. Full tuition is refunded if withdrawal is made during the first week of fall, winter, spring and summer quarters. For courses meeting less than 10 weeks the refund is prorated by the Registrar. No tuition refund will be made if withdrawal is made after these times.

Refunds in all cases are calculated from the date refund is requested.
It is not calculated from the date a student ceases to attend classes. The only exception is in an unusual case where delay occurred for reasons beyond the student’s control. Students will receive full tuition refunds for courses cancelled.

With exception of students paying by credit card through UCC, all refunds would be issued in the form of check payable to the student regardless of the original form of payment or who paid for the course. If the third party sponsored agreement is set up with Finance Office, refunds will be issued in the form of check to a third party.

Consequences for Not Paying

If you fail to pay your account, the college may take any or all of the following actions:

- Require immediate payment in full
- Block enrollment for any future terms
- Decline to provide official transcripts
- Turn accounts over to a collections status for non-payment after three months*
- Garnish Oregon State Tax Return

*Students will receive a final notice for accounts that are overdue before the college assigns them to a collection status and reports them to a credit bureau. The collection agency will add additional collection fees, court and attorney costs to account.

Past Due Accounts Assigned to a Collection Status After Three Months

Accounts will be turned over to a collections status for non-payment after three months. Students will receive a final billing statement for accounts that are overdue before the college assigns them to a collection status and reports them to a credit bureau. Failure to maintain a correct address with Registration will result in your account going to collections status if unpaid.

Past Accounts must be Paid at the Assigned Collection Agency

Students are not able to make payments to UCC for past-due accounts that have been assigned to a collection agency. Students wishing to pay off outstanding debts to UCC will be referred to the collection agency responsible for their account and will need to make payment in full to that agency. Students who have paid their accounts in full with the collection agency will not be able to register or have a transcript released until UCC receives the funds from the collection agency and the UCC account balance has been completely cleared. Payments from collection agency can take eight weeks to reach UCC. No exceptions will be made to allow a student to register or receive an unofficial or official transcript until the account shows paid in full status.

FINANCIAL AID

There are four major types of aid: grants, scholarships, student loans, and work-study. Grants and scholarships do not require repayment. Loans require repayment with interest. Work-study requires that the student accept a job placement and perform work responsibilities to receive a monthly paycheck. Students receiving funds are required to be enrolled in classes and must meet the financial aid Satisfactory Academic Progress Policy. Copies of this policy are available online at http://www.umpqua.edu/formPubs/finaid/sap.pdf.

Students must apply for financial aid every year by filling out the Free Application for Federal Student Aid (FAFSA). The FAFSA may be submitted as early as January for the following academic year beginning with the summer term and ending with the spring term. In general, it is best to apply as early as possible. Applications are processed in the order they are completed.

If you apply for financial aid, standardized costs for tuition and books, room and board, transportation, and personal expenses will be used to determine a cost of attendance. This cost along with the information provided by your submission of the FAFSA and any other requested information will be used to calculate your eligibility for funds. Financial aid funds are awarded to students on the basis of fund availability and standardized federal formulas.

Applying for financial aid can be a time-consuming process. Your quick response to our requests can shorten the process. Forms or information returned late will slow or stop the process of determining your eligibility. As some funding is limited and is awarded on a first-completed-first-served basis, your delay may limit the types and amount of aid you receive. If you apply late, your financial aid may not be ready at the beginning of a term and you may need to pay for your tuition, fees, and books on your own (see “Payment plan” section for payment option) and have your financial aid reimburse you when you have been awarded.

Notification of financial aid awards are e-mailed to your college e-mail address. To ensure your right to privacy, information regarding awards to students is not available using the telephone or internet. Information regarding the status of your application and award can be accessed through Riverhawk Web. If you need assistance in gaining that access please contact the help desk, 541-440-7808.

Financial Aid Application and information links for financial aid forms, scholarships, veterans and work-study forms.

UCC reserves the right to adjust student aid funds based on changes in anticipated cost of education, enrollment status, other student resources, and the availability of funds.

Contact the Financial Aid Office in the Campus Center or by leaving a voicemail message at 541-440-4602.

VETERANS SERVICES

The Veterans Education Services Office was established to provide service to veterans and their eligible dependents in applying for and receiving Veterans Administration educational benefits, VA work study, and other supportive services. You are encouraged to contact the Veterans Coordinator in the Campus Center Building for assistance.

PLACEMENT TEST

The placement test is required for all credit students. It is given on a walk-in basis in Testing Services, which is located in the Campus Center building. The placement test is an assessment tool which indicates the entry level of math, reading, and writing for each student. Placement test scores are valid for one year.

The initial cost of the placement fee is included in a new student admission fee. Retests are $6 per section.

The placement test is not required of transfer students who have had their official transcripts from other colleges sent and evaluated by UCC and have successfully completed a math and writing course at other colleges.

More info: 541-440-4610.

DROPS / WITHDRAWALS

Students registered for classes are considered to be in attendance. Students discontinuing attendance without filing the official drop/withdrawal form in the Registration Office may receive a failing grade. Recipients of Title IV financial aid funds are subject to the federal regulations for withdrawals from classes for a term.

Students wishing to drop/delete (which does not appear on the academic transcript) from a course or courses must initiate the withdrawal procedure during the first 5 instructional days of each quarter, except for classes less than ten weeks in length. Complete and file the appropriate form in the Registration Office. After 5 days, the following withdrawal (appears on the academic transcript as a “W”) procedures must be followed.

WITHDRAWAL FROM UCC

To withdraw from all courses, get the signatures of a counselor and Financial Aid. The withdrawal form may be obtained in the Registration Office and must be completed and filed in the Registration Office.

WITHDRAWAL BY INSTRUCTOR

Students who register for a class but do not attend the first class meeting, or contact the instructor before the first class meeting of the term may be withdrawn by the instructor.

STUDENT EDUCATIONAL RECORDS

The Family Educational Rights and Privacy Act (FERPA), also known as the Buckley Amendment, covers the release and inspection of each student’s educational records. In compliance with FERPA, Umpqua Community College has formulated the Student Records Policy to outline the proper handling and release of student educational records. See the catalog on the website at www.umpqua.edu/FormPubs?FormPubs.htm.

DIRECTORY INFORMATION

Umpqua Community College defines certain information as Directory Information, and this information may be released to a third party upon a written request. Students may sign a Directory Information Hold Form which will prevent the release of this information. Students who sign the request will not be listed in news releases concerning honor rolls, or in commencement related publications.

DISABILITY SERVICES

Disability Services advocates for and empowers students with disabilities through the provision of information, services, skill development, problem solving and self-advocacy to reach their full personal, academic and vocational potential.

Students with disabilities will find UCC’s campus to be accessible and accommodating. A variety of support services are available to students with any type of disability. Disability-related accommodations for admission, financial aid and placement test are available upon request through our office. Returning students are encouraged to submit accommodation requests for ongoing services prior to the new term beginning.

Persons having questions about or requests for accommodations for an on-campus event should contact Disability Services at Umpqua Community College, 1140 Umpqua College Road, Roseburg, Oregon 97470. Phone 541-440-7655 or 541-440-4610 or 1-800-735-1232 or Oregon Relay TTY 1-800-735-2900.

Requests should be made 72 hours in advance of campus performances and other public events to provide assistance in making necessary arrangements.

General inquiries and requests may also be addressed with our office by scheduling an appointment with one of our staff members.

DISABILITY ACCOMMODATIONS

Disability-related accommodations for admission, financial aid, and placement tests are available upon request. Ask for assistance in the Advising and Career Service Center or call Disability Services, 541-440-7655 or 541-440-7760, Oregon Relay number, 1-800-735-2900 TTY.

STUDENT HEALTH (ACCIDENT AND SICKNESS) INSURANCE

ELECTIVE PARTICIPATION BY STUDENTS

Student Accident and Sickness Insurance is an important component of your ability to continue your education. A serious injury or illness could interrupt your education plans by diverting necessary funds for educational expenses to medical expenses. Umpqua Community College offers a Student Accident and Sickness Plan serviced by Insurance Benefits, LLC., Bruce Ricks & Associates. The plan is designed to provide an excellent level of insurance protection, at an affordable cost. Enrolling in the plan is voluntary. For more information, please visit the UCC website or pick up a brochure from the Admissions Office or the Student Life Office; both offices are located in the Campus Center.

Persons having questions about or requests for accommodations for an on-campus event should contact Disability Services at Umpqua Community College, 1140 Umpqua College Road, Roseburg, Oregon 97470. Phone 541-440-7655 or 541-440-4610 or 1-800-735-1232 or Oregon Relay TTY 1-800-735-2900 TTY.

STUDENT INSURANCE FEES – MANDATORY PARTICIPATION BY STUDENTS

Students pay $5 per term of enrollment for insurance which provides coverage during supervised college activities (i.e., classes and field trips) and travel to and from such activities. The insurance covers...
injury caused solely by an accident which happens while the student is taking part in a college supervised activity. For more information, contact the Student Life Office, located in Campus Center

GED TESTING
You can take the GED test for $85. Call Testing Services at 541-440-4610 (voice) to schedule the test (541-440-4626 TDD).

LIBRARY
Hours generally: 7:30 a.m. to 8 p.m. Monday through Thursday; 7:30 a.m. to 5 p.m. Friday, and 1 to 4 p.m. most Saturdays. Closed Fridays and Saturdays during the summer. Hours vary between terms. Call 541-440-4640 for information and hours. Online: www.ucclibrary.com.

BOOKSTORE
The UCC Bookstore is located in the Campus Center Building, on the main campus. The Bookstore offers course textbooks, general books, computer software and hardware, clothing, gifts, cards, snacks, and a wide variety of school supplies. Bookstore hours are 7:30 a.m. to 5 p.m., Monday through Friday, for the fall, winter, and spring terms. Summer hours are 7:30 a.m. to 5 p.m., Monday through Thursday. During the fall, winter and spring terms, the Bookstore will be open until 6 p.m. the first two days of classes. Please plan on bringing your class schedule to ensure the purchase of the correct textbooks for your classes.

You can now purchase textbooks online through the UCC Bookstore website with a Visa or Mastercard. Allow a 24 hour ship time and only street addresses will be accepted. NO PO BOXES.

The Bookstore also rents textbooks from an affiliate site through the Bookstore webpage www.umpqua.edu/bookstore. Textbooks purchased during the term may be returned until the end of the first week of school, providing the textbook is in the same condition as purchased and proof you dropped the class and a receipt for the item is provided. Textbooks or software in shrinkwrap, labeled "no-return if opened" may be returned for a refund at this time if un-opened. Opened items may be eligible to sell at the buy-back at the end of the term.

The UCC Bookstore will have a textbook buy-back during the last three days of finals week during fall, winter and spring terms. A limited buy-back will be held during the end of summer term.

Textbooks eligible for book buy-back usually include texts that will be used the next term on our campus. The textbook buyer also buys for other schools on a supply and demand basis. Price paid at buy-back varies with each book, but can be as much as one half the amount paid. The UCC Bookstore is a non-profit self-sustaining operation owned by Umpqua Community College.

STUDENT ID CARDS
All registered students are entitled to an ID card. The ID card serves as your official UCC photo identification and can be utilized as a UCC Library Card. A student ID card is required in order to get a parking permit. ID cards are available from the Student Life Office; call 541-440-7749 for ID processing hours. ID cards must be validated each quarter you are enrolled; validation stickers are available from the Information Desk, located in the Campus Center; from the Cashier, located in the Administration building, and the Student Life Office, located in Campus Center.

PARKING
Umpqua Community College provides more than 1,450 parking spaces located near all campus buildings. Of these, 171 are designated to all part-time and full-time employees. All employees are given a yearly parking permit. Designated parking spots for employees are marked by green lines, curbs and employee only signage. All part-time and full-time students also receive a yearly parking permit. Parking permits are available from the Information Desk in the Campus Center. A student ID card is required in order to get a parking permit. Permits must be placed inside the car on the lower left corner of the front windshield. Designated parking spots for students are marked by yellow lines, curbs and student only signage. All white marked lines and curbs are regarded as open parking. These spots are available to everyone. There are 14 parking spots clearly designated for the college Motor Pool and off limits to general parking. Red zones are usually fire related areas and are considered restricted lanes and zones with no parking allowed at any time. Visitor parking is clearly divided into 2 separate areas. One area is 30 minute visitor only and the other is Visitor Day parking only. All areas are designated by purple curbs, lines, and signage. The 30 minute only is for non-student activities and strictly enforced. The Visitor Day parking is for specific day use only with one day permits available at the front desk of the Administrative Building or in advance through the UCC Security Department.

Disabled Person parking is available throughout the campus. Special stickers are required for parking in clearly marked Disabled Parking spaces. All handicapped spaces are clearly marked blue with signage. All stickers and placards required to park in these spaces are issued at the Oregon Division of Motor Vehicles. Traffic citations will be issued for improperly parked vehicles. The general parking fines range from $25 to $100. Any vehicle left unattended on UCC property for more than 72 consecutive hours will be deemed abandoned and towed at owner's expense. All traffic and parking issues should be addressed through the Director of Safety and Security located in the Security office.

SMOKING
Smoking or other tobacco usage is not permitted inside the perimeter of any Umpqua Community College (UCC) property. This includes all college sidewalks, landscaped areas, recreational areas, buildings on UCC property, and any leased or rental facilities. Designated smoking areas will be provided near parking lots on the outside perimeter of campus.

BUS SERVICE
UCC students can ride the bus at low-cost with a $45 per term pass for Umpqua Transit, the "UT. The passes can be purchased from the UCC Cashier, located in the Administration building. The pass is good throughout the Umpqua Transit system, five days a week. The service picks up and delivers daily to the UCC campus. The bus stop is located between Jacoby Auditorium and the Administration Building. Bus schedules are available in the Campus Center. For more information, call Umpqua Transit at 541-440-3587.

CAMPUS SECURITY POLICY AND CRIME STATISTICS
It is the policy of Umpqua Community College, in conformity with the Crime Awareness and Campus Security Act of 1990, Title II of Public Law 101-542 that all criminal actions and other emergencies occurring on campus be reported to Campus Security, located in the office of the Vice President for Administrative Services. All criminal actions and other
emergencies that occur at off-campus college activities or locations shall also be reported by the college representative to Campus Security. All information of criminal actions will be forwarded to the Douglas County Sheriff’s Office or the appropriate local police agency in whose jurisdiction the incident occurred. The following statistics identify the number of persons who were arrested, referred or involved in the incident.

### Procedures for Reporting Crimes

- **Emergency Situations**
  - Dial 911 from any campus phone and request assistance.

- **Assistance Needed**
  - Dial 541-440-4631 to contact the Vice President for Administrative Services.
  - Dial 541-440-7777 to contact Campus Security.

### Sexual Offenses

If you believe that you have been sexually assaulted, report it. If the crime occurs on campus call 911 and report it to the police as soon as possible. Counselors are available on campus at the Advising and Career Service Center in the Campus Center.

### Campus Security

Campus security coverage is maintained weekdays by 18 facilities staff members and evenings and weekends by three part-time security guards. All are trained and certified in accordance with Oregon Department of Public Safety Standards and Training guidelines. Security staff may be contacted 24 hours a day, seven days a week, by calling 541-440-7777 or campus extension 7777. In addition to providing a safe working and learning environment, Campus Security enforces traffic and parking regulations, promotes crime prevention and secures the college’s buildings and facilities. Excellent communication with law enforcement agencies, particularly the Douglas County Sheriff’s Office, is also maintained. Information relating to campus crime is collected annually and available upon request.

Individuals on campus, including students, employees, and visitors, should take active responsibility for their personal property. The college maintains its grounds and lighting to ensure the campus is as secure as possible.

The College Safety Committee meets monthly to address occupational safety and health issues. The purpose of the committee is to bring members of the college community together in a non-adversarial, cooperative effort to promote safety and health. Student representatives are members of the committee. The meetings are open to anyone.

### Precautions You Can Take

- **Be smart!** Always lock your car
  - If you are on campus after dark, move your car to a close spot before your night class.
- **Buddy up**
  - Have classmates walk you to your car, then drive them to theirs.
- **Know the locations of telephones**
- **Be aware of your surroundings**
  - If you notice anything or anyone who appears suspicious, report it to Security by dialing 541-440-7777.

SOUTHERN OREGON UNIVERSITY DISTANCE LEARNING CLASSES THROUGH TWO-WAY VIDEO ON UCC CAMPUS & THE WEB

The Master of Education — Not just for K-12 Classroom Teachers!

Designed for:
• K-12 Teachers & Administrators*
• Health Educators
• Community College Instructors
• Education Managers
• Organizational Leaders
• Preschool Teachers & Directors
• Professionals in any field who want to increase their skills
• YOU!

The Masters Degree in Education (MEd) is designed for adults who have a desire to expand their knowledge base. We can work with you to craft a program that helps meet your professional and personal goals. The MEd takes a project-based approach that encourages students to address their interests within the structure of required academic courses and personally-selected electives that fit within the master’s degree. Students are encouraged to explore an interdisciplinary approach by incorporating 15 credits of psychology, management, business, or other education graduate level courses into their specialty area. The MEd provides students with graduate coursework related to the field of education that fosters scholarship, intellectual creativity, instructional excellence, cross-cultural sensitivity, and professional leadership.

Courses can be completed online, on campus in Medford and Ashland, or as a combination. Classes in Medford are scheduled one Friday evening and Saturday per month to accommodate working adults.

*TEACHERS — Do you need to add an endorsement area to your degree? Endorsements in READING, SPECIAL EDUCATION, and ESOL are available through distance learning delivery.

Endorsements can be included in the Master of Education (MEd). The course work for the Master of Education will be delivered primarily online, allowing working adults the opportunity to expand their education while meeting the multiple demands of family, job, and community.

ED 399 Orientation to ECD
1 credit - $55 (crn 8545)
ED 407/507 Whole Child Development
3 credits - $600/$1245 (crn 8941/8578)
Explores the study of child development from a holistic perspective. Students will gain an appreciation and respect for children as unique individuals of intrinsic worth, inspiration, and dignity. Emphasis will be on the skills of observation, critical reflection and interpretation as tools to learn about children and their holistic development.

ED 407/507 Mind in the Making
3 credits - $600/$1245 (crn 8574/8581)
This course will explore the essential skills that children need in order to be successful in a complex society. Using research-based practices as a framework, students will better understand the implications of a child’s developing mind to her social, emotional, and intellectual capacities. Specifically, the importance of focus and self control, perspective taking, communicating, making connections, critically thinking, taking on challenges, and self-directed learning skills will be examined and analyzed. Students will evaluate the roles of parents and teachers in creating an environment where children may reach their full potential and manifest their unique talents and gifts in order to become the best she or he can be.

ED 407/507 Holistic Education
3 credits - $600/$1245 (crn 8721/8722)

ED 407/507 Needs of Talented & Gifted
3 credits - $600/$1245 (crn 8572/8516)
This foundations course is designed to give individuals the knowledge and skills necessary to develop a planned program that will meet the needs of academically talented and intellectually gifted students within a framework of Oregon’s state requirements. Students will gain an understanding of the characteristics and needs of TAG students, current legislation as it relates to the education of talented and gifted children, identification procedures, assessment options, programs and services models, and curriculum differentiation options.
ED 480/580 Foundations in ECE
3 credits - $600/$1245 (crn 8575/8585)
Introduces students to the field of early childhood education and presents an overview of historical and philosophical perspectives. Explores different approaches to ECE programming. Considers relevant issues in the field of early childhood and analyzes early education from a cross-cultural perspective.

ED 481/581 From At-Risk to Resiliency
3 credits - $600/$1245 (crn 8576/8586 or 8893/8894)
Examines the factors that place a student at risk, with the goal of identifying the most beneficial strategies for pulling students through difficulties. Includes chemical abuse, physical and sexual abuse, dysfunctional families, suicide, and socioeconomic status. Addresses the use of community agencies and development of classroom resources.

ED 485/585 Assessment & Planning
3 credits - $600/$1245 (crn 8788/8789)
Covers the administration and interpretation of screening and assessment tools for identification and evaluation of infants, toddlers, preschool, and primary-grade children with special needs. Examines curricula issues and intervention strategies related to service, delivery, and advocacy for young children.

ED 488/588 Early Language Literacy
3 credits - $600/$1245 (crn 8577/8587)
Examines the process of language development and the emergence of literacy. Studies the cognitive and social bases of language and literacy development. Considers ways of promoting language and literacy development, including the selection and use of activities and materials.

ED 549 ESOL/Bilingual Portfolio
3 credits - $1245 (crn 8584)
Participants in the ESOL/Bilingual Endorsement Program document their understanding and competency through the development of a professional portfolio. Includes information on professional portfolios and format options for documenting the required competencies. Establishes standards for quality. The instructor works individually with students to facilitate the development of a thorough accumulation and presentation of evidence regarding each of the competencies.

READ 572 ECE Reading Assessment
3 credits - $1077 (crn 8712)
READ 590 Children’s Literature (PK-5)
3 credits - $1077 (crn 8713)
Explores children's literature that includes ethnic and cultural diversity. Focuses on current and traditional works, as well as authors and illustrators of children's books at the early childhood and elementary levels. Students share books and book-related experiences with children. Explores instructional strategies for using literature to teach reading and content subjects in the classroom. Access to early childhood or elementary-level students is required.

SPED 530 Law & Policy
4 credits - $1660 (crn 8612)
Provides an overview of laws and litigation affecting special education. Includes the development of laws that govern special education beginning with P.L. 94-142 through the current re-authorization of IDEA, a review of section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act. Includes a review of major litigation since 1954 that has shaped and continues to influence special education practices. Intended for students in the Dual endorsement program and the Stand-Alone endorsement program.

SPED 538 Characteristics of Exceptionalities
3 credits - $1245 (crn 8613)
Focuses on the categories of exceptionalities included in the Individuals with Disabilities Education Improvement Act and Oregon OARs. Includes information about causes of exceptionalities, definitions for each category of eligibility, and criteria for identifying students under each eligibility category. Intended for students in the Dual endorsement program.

Offering online Bachelor’s degrees in PSYCHOLOGY, BUSINESS ADMINISTRATION, and ACCOUNTING.

What makes NCU unique?

**Versatile Degrees.** Every one of our majors is led by faculty who are experts in their field, who will help you go beyond the basics and delve into the challenges that face these industries every day.

**Life Experience.** We are serious about the value of life experience, in which you’ve already invested time and energy. In fact, you could even receive credit for the knowledge you already have through our prior learning assessment program.

**Flexible Schedule.** Our online classes are only eight weeks long. You can move through the program quickly or you can take your time because life isn’t always predictable.

**Personal Service.** An entire team of professionals is waiting to help you from your first contact with the University to the moment you are handed your diploma.

Our options give you more options.
DON’T HAVE ENOUGH DRAMA IN YOUR SUMMER?

ENG105: Introduction to Dramatic Literature
ENG201: Shakespeare

The summer sections of these courses will meet for three hours on Monday and on Tuesday of the week, then the courses meet in Ashland on Wednesday, Thursday and Friday. In Ashland, students will meet on "The Bricks" in front of the Bowmer Theatre at least 15 minutes before the first play begins, and the class is over when the last play is finished for the night (usually at midnight). The class will also meet daily in Ashland for a late-afternoon discussion with the instructor and interaction with the class regarding the plays attended. Informal discussions about the plays are anticipated and encouraged. There may be additional tours and lectures made available by the Oregon Shakespeare Festival.

Students can choose whether to take this class offering as ENG105 or as ENG201. Students must provide their own transportation to Ashland, and they must make their own accommodations while in Ashland. The course fees and tuition only cover the cost of the course tuition and the tickets for the plays. A term project, with deadlines attached, will be assigned by the instructor during the first UCC lecture. Each class is limited to 15 students—so register soon!

June 18-22, 2012

* Due to the Labor Day holiday, there is only one lecture day for this section. Online materials will be available to supplement this course.
The College Now Program provides lower division academic transfer and entry-level career & technical course credits to highly qualified high school juniors and seniors. The College Now Program supports the concept of assisting high school students as they begin to plan and carry out a learning continuum that begins in high school and extends through the college experience to a degree or a professional certificate. Students successfully completing instruction in designated College Now courses while in high school will be awarded Umpqua Community College credit.

The College Now Program works closely with high school administrators and teachers in Douglas County to identify courses and program areas that match up with programs offered at Umpqua Community College. Highly qualified junior and senior students should contact their teachers and school counselors to learn about the courses listed below and their eligibility for enrollment.

For the most up-to-date course listing and yearly schedule of classes please see the College Now website or check with your high school counselor.

College Now courses are not regular schedule courses. All courses may not be offered at your school. Please check with your high school counselor, teacher or the College Now Coordinator for course specifics and registration information.

CAREER & CONTINUING EDUCATION

SKILL ENHANCEMENT & OCCUPATIONAL LICENSING

INCREASE LEGACY GIVING FOR YOUR NON-PROFIT
Approximately 75% of the financial support for the causes we care about come from individual donors. Creating a culture of legacy giving is one of the strategies not-for-profits can include in developing sustainable funding for their programs. Legacy giving or planned giving often shows up in a not-for-profit's strategic plan, but never quite gets implemented. This six-hour workshop will give not-for-profits some simple steps and actions they can begin using immediately. The class will include defining terms and vehicles used to make a planned gift; beginning the conversation with staff, board members and donors; writing a case statement for why donors would give; and understanding that patience is crucial to developing these gifts. SOCIAL MEDIA AND ONLINE TOOLS FOR K-12 TEACHERS

Facebook, Twitter, YouTube, it seems everyone, including your students, talk about ways the internet lets them stay in touch. Since many of your students are already there, find out if these tools might keep them engaged in your class. Do you ever wonder if there might be some time-effective ways to communicate with their parents? Google Docs, Adobe ConnectNow, iGoogle, Flicker, amimoto, earth album, Teacher Tube, blogs, virtual labs and yes, even Facebook and Twitter can help you add dimension and interest to your class. Discover tips to use a variety of social media and online tools to help your students. You will also spend some time discussing ways to overcome resistance you might encounter in using these programs. For any teacher interested in social media, from beginners to advanced social networkers. Contact Kathy at 541-440-4655 to register. Must be registered by 7/5/12. $145

FITNESS & HEALTH

EXERCISE

ZUMBA FITNESS

“Zumba” translates to "move fast and have fun!” It is one of the fastest growing dance/fitness crazes in the country. Zumba is a fusion of Latin music and dance combined with aerobic fitness training. The result is an exciting, high energy workout. It’s so much fun, you won’t realize you’re exercising as you tone and shape your body. No experience or partner necessary. Students from all fitness levels are welcome. Dress comfortably. Taught by certified Zumba instructor. Ditch the workout, join the party!

TEACHING YOUR TEEN TO DRIVE

Teaching your teen to drive can be a tense and thrilling time. Help make it more enjoyable by adding some new information to what you already know about driving. Did you know adding just 1 more second between you and the next car can reduce car crashes by 80 percent. This class will help you be successful and safer while you complete the 100 hours of practice time with your student (50 hours if they complete Driver Education). Come join us for this fun and informative session on techniques and options for helping your teen learn to drive while you retain your sanity. It will be worth your time. Contact J. Ode with questions or to register. 541-440-7691.

OUTDOOR RECREATION & SPORTS
AIKIDO
Aikido is a Japanese form of self-defense that employs the principles of non-resistance in order to incapacitate the power of the adversary. The opponent’s strength is used against them to knock them off balance, rather than relying on the student’s own strength. Aikido is about evading attack, while keeping a calm and focused mind. It teaches the student to immobilize their opponent and cease the attack, rather than to attack and cause harm. Students will learn the basic movements of Aikido, as well as the art of unifying body, mind, self and other. Students age 13 and up accepted. Instructor: B. Smith. $75

GEOLGY ON WHEELS - CRATER LAKE
Geology on Wheels field trips are led by Larry Broeker, recently retired Forest Geologist and Jason Aase, UCC Geology Professor. The Crater Lake trip is open to all ages, however those under 16 must register and attend with a parent/guardian. Please wear appropriate clothing and foot wear for walking worn trails outdoors. Bring lunch, snacks and water.
The climactic eruption of Mt. Mazama 7,600 years ago not only formed the steep-walled basin that cradles the cerulean blue waters of Crater Lake, it radically altered the physiography and ecology of the surrounding region. Features of interest that will be discussed while circling Rim Drive include Llao Rock, Devil’s Backbone, Cloudcap Overlook, the Pinnacles, Pumice Castle, Phantom Ship, and Wizard Island. We will also stop to view Mt. Thielsen and Mt. Bailey from the Diamond Lake Viewpoint. Bring warm clothes and rain gear. We will stop at Crater Lock Lodge/Rim Village for a no-host lunch, drinks and snacks. Meet at the UCC flagpole. Instructor: L. Broeker. $55

KIDS ON STAGE
This musical theater camp provides an experience that shares with children the wonder and detail of theater performance. Children will learn and improve many theater skills that will empower their imagination, bolster self-confidence, enhance social skills, and impart the thrill of the stage! Voice, theater, and improv games will help students feel more comfortable on the stage. Instructor Katie Stevenson is currently performing theater and teaching music in New York City, and she will engage children in hands-on activities as they learn about stage make-up, lighting, set design, acting terms, character development, memorization tips, theater jobs, and singing. Dance instructor Summer Moore teaches locally at Kathryn Howard’s School of Dance. She will lead students in an exciting, glee style, dance performance. Students will present a free evening performance for friends and family on June 28. $149

GEOSCIENCE ROCKS! (GRADES 6-12)
Geoscientists explore the Earth in quest of solutions to some of society’s most challenging problems: finding and conserving natural resources, maintaining healthy ecosystems, and understanding global climate patterns. By applying their knowledge of forces and factors that shape the Earth, geoscientists seek to reconstruct the past and anticipate the future. It’s a diverse and exciting field. Geologist, John Orcutt, will introduce you to the Earth as an outdoor laboratory. You will have an opportunity to observe Earth processes in action as you learn more about what it means to be a Geoscientist. $39

COMMUNITY EDUCATION

REGISTRATION POLICIES & PROCEDURES

UCC Community Education Classes are open to the public. Classes are open to students 16 years and older unless otherwise stated. Youth and family classes are specifically designed for young people, teens, or families. Community Education classes are separate from credit offerings and do not count towards degrees, diplomas, or certificate programs.

PAYMENT
Payment is due at time of registration. Make checks payable to UCC. Visa or MasterCard are accepted. Students are not allowed to register for UCC classes if library fines or other outstanding monies are owed to the College. Debts may be cleared through the Umpqua Community College Finance Office.

REGISTRATION
Pre-registration for Community Education classes is strongly encouraged. Registration at the first class session cannot be guaranteed in cases where the class is full or cancelled due to low enrollment numbers.

3 WAYS TO REGISTER
1. In Person
Register at the UCC Campus Center registration window on a walk-in basis. We are located at 1140 Umpqua College Rd. Registration hours are 7:30 a.m. – 5 p.m., Monday, Wednesday, Thursday and Friday. Tuesday registration hours are 7:30 a.m. – 6 p.m. Registration is closed on Fridays from mid-June through August.

2. By Mail or Fax
Mail a completed Community Education Registration form (page 73) with payment to Umpqua Community College, Registration, PO Box 967, Roseburg OR 97470. Please do not send cash. Mail-in registration does not guarantee space. Fax to 541-440-7721.

3. By Phone
Call 541-440-7744 weekdays between 8:30 a.m. – 4:30 p.m. Please have your registration information and Visa/MasterCard information ready. Registration line is closed on Fridays from mid-June through August.

REFUNDS
- Full refunds will be issued to all students if UCC must cancel a class.
- Students are eligible for a refund if they drop a class two business days prior to the class start date. No refunds are available if request is made less than two days prior to class. To cancel a class, contact UCC Registration Department at 541-440-7744.
- Financial credit towards future classes may be considered based on special circumstances but is not guaranteed. Requests based on special circumstances must be requested in writing to the Community Education Office – Lockwood Hall.

GO TO CLASS
Unless you hear from us, go to the class or classes you have registered for. The only time you will hear from us is:
- If the class is cancelled
- If there is a change in time, facility or location
- If the class is full
- If your registration cannot be processed due to an outstanding College fine or debt

Please update your contact information each time you register for a class to ensure accurate phone, address and e-mail information is available.

INCLEMENT WEATHER
UCC Community Education Classes held on campus are closed when UCC is officially closed due to severe weather. If your class is held at a local school and the school is closed due to weather, your class will be cancelled for the evening. Listen to local radio stations or visit the UCC website www.umpqua.edu for weather closure information.

GOLD CARD PROGRAM — SENIOR DISCOUNT
Douglas County Residents who are 60 years of age or older, and Disability Gold Card holders are eligible for a 50% discount off the costs of selected Community Education classes. Look for the symbol for classes that qualify for the Gold Card discount.

Eligible residents should select the Gold Card class course number at time of registration. Information about the Gold Card program is available by calling 541-440-4601.

CAMPUS PARKING
Parking is limited on the UCC Campus during the school year. Parking Legends are located throughout campus to explain the color coded parking system. Community Education students attending class before 5 p.m. weekdays are eligible to park in the White Open parking zones or Yellow Student Parking areas (must have a student parking sticker). Student Parking Stickers are available at the Information desk located in the Campus Center building and are free. Handicap parking is available throughout the campus. The parking policy is not enforced after 5 p.m. weekdays, weekends, or during breaks between terms.

Adult Basic Education and pre-GED classes provide instruction in basic skills up through the ninth grade level. There are group classes and individual lessons in reading, grammar, writing, spelling and mathematics. After students increase their reading level, they can transfer into more advanced classes, including pre-GED, GED, College, and Career Preparation classes. Classes in ABE and Pre-GED cost $10, plus a $2 technology fee.

**ORIENTATION FOR ABSD CLASSES**

Students interested in taking an ABSD class must first attend an orientation. During orientation, students fill out registration paperwork, do goal setting, learn about the program options and take the placement test.

Orientations are free and are held at the Woolley Center, 1634 W. Harvard, at the Workforce Training Center, and in Tri-City. Students should call 541-440-4603 or visit us on Facebook to find out more about scheduling an orientation.

OREGON PATHWAYS TO ADULT BASIC SKILLS (OPABS)

Oregon Pathways for Adult Basic Skills is a program designed to help students prepare for both the GED exam and to enter college or training, in a 3-term curriculum. While preparing for the GED exam, students will also work to achieve college level reading, writing, and math. They will also learn to use the various forms of technology required for college success. Students in OPABS participate in an evidence-based cohort model, which has strong success in assisting students to earn their GEDs and enter directly into college classes. One cohort starts in the Fall, a second cohort starts in Winter, and a third cohort starts in Spring term. Students should expect to attend OPABS classes for three terms, total.

ADULT HIGH SCHOOL DIPLOMA

Students may also earn an Adult High School Diploma through Umpqua Community College. The Woolley Center offers the majority of the high school diploma classes. These classes run four days a week in 5 ½ week sessions. In addition to course work, adults may be eligible for high school credit from significant life experiences including work experience, military training, community service and homemaking. Classes are free for students on referral from an area high school, and $27 per half credit for students paying their own way. For more information on the high school class schedule, please contact the Woolley Center at 541-440-4603.

WOOLLEY CENTER HIGH SCHOOL CREDIT CLASSES

The Woolley Center high school program focuses on college and career preparation. Statistics show that over 80% of jobs earning $45,000 in Oregon require some post-secondary training: either a college degree or professional/technical certification. Yet many high school students graduate or drop out without a clear idea of what they will or can do next. The program addresses this by familiarizing students with high-growth occupations as well as local training opportunities. The goal is to kindle each student’s natural interests and assist them to make plans for the future, whether they include college, vocational training, or something else altogether.

To ensure students learn up-to-date, real world information, they will hear business professionals, have job shadows and field trips, and complete hands-on projects and work samples. These experiences will become part of each student’s portfolio, which in turn can be used for college admissions and job interviews. Students choose either a GED or Adult High School Diploma path. Class sizes are small, with an average of 15 students.

DUAL CREDIT OPTION (ON CAMPUS)

Students may also choose the dual credit option by attending college classes on campus to earn both high school credit and college credit. Students interested in this option must meet with the campus high school diploma advisor at 541-440-7767.

ONLINE HIGH SCHOOL CLASSES

Students 15 years of age or older who want more flexibility in their schedule to pursue advanced placement courses, jobs, sports or other activities, now have an option to meet their educational needs. Online high school classes are offered year-round and can be accessed anytime, anywhere that has a computer and internet access. Students can work at home, from the library or at school whenever it fits into their schedule. And, it’s never too late to complete your education and boost your career potential. Anyone who has left school can get back on track and earn credits toward a high school diploma. Credits may be applied to the UCC diploma or local high school diplomas. Online classes are five weeks long and $52 per half credit. For more information, please call the Online High School Diploma Coordinator, Linda Stout, at 440-7805.

NON-PROFIT

16376 Increase Legacy Giving for Your Non-Profit
Approximately 75% of the financial support for the causes we care about come from individual donors. Creating a culture of legacy giving is one of the strategies not-for-profits can include in developing sustainable funding for their programs. Legacy giving or planned giving often shows up in a not-for-profit’s strategic plan, but never quite gets implemented. This workshop will give not-for-profits some simple steps and actions they can begin using immediately. The class will include defining terms and vehicles used to make a planned gift; beginning the conversation with staff, board members and donors; writing a case statement for why donors would give; and understanding that patience is crucial to developing these gifts. Instructor: S. Ramsey-Watson. For more information, call 541-440-4655.

Go Lean!
Utilizing Lean Manufacturing & Lean Office
Increase Production and Your Bottom Line!

Do you want to:
Reduce waste?
Improve your organization’s ability to compete?
Improve profitability?
Streamline processes and procedures?
Involve employees in positive change?

Is your organization as competitive and productive as it needs to be in today’s challenging business environment? Are you facing rising costs, higher customer demands and barriers to improving productivity? Are you looking for proven solutions that will work in your organization?

UCC invites you to learn about its Lean services that will improve your company’s competitiveness in today’s challenging workplace.

UCC’s team of trainers and consultants can provide customized training and on-site consulting at your workplace to assist you in adopting and implementing Lean practices.

Our trainers are experienced Lean consultants who will provide an in-depth introduction, simulations, and hands-on applications in each course. This “learn-do-apply” approach gives workshop participants a good working knowledge of the various Lean techniques and ways to implement them in their own work settings.

What is Lean?

“Lean Manufacturing” is the term to describe manufacturing and organizational processes Toyota and other Japanese manufacturers used to fundamentally change the automotive industry.

Lean Office takes the principles of “Lean Manufacturing” and applies it to administrative processes.

At UCC, we offer a wide range of management and consulting services to help and train organizations to become Lean.

Parking
Umpqua Community College provides more than 450 parking spaces conveniently located near all the campus buildings. Of these, about 171 are assigned to college faculty and staff.

All employees are given a yearly parking permit. Designated parking spots for employees are marked by green lines, curbs and employee only signage. All part-time and full-time students also receive a yearly parking permit. Designated parking spots for students are marked by yellow lines, curbs and student only signage. All white marked lines and curbs are regarded as open parking. These spots are available to everyone. There are 14 parking spots clearly designated for the college Motor Pool and off limits to general parking. Red zones are usually fire related areas and are considered restricted lanes and zones with no parking allowed at any time.

Visitor Parking — Visitor parking is clearly divided into 2 separate areas. One area is 30 minute visitor parking only and the other is Visitor Day parking only. All areas are designated by purple curbs, lines, and signage. The 30 minute only is for non-student activities and strictly enforced. The Visitor Day parking is for specific day use only with one day permits available at the front desk of the Administrative Building or in advance through the UCC Security Department.

Disabled Person Parking — Special stickers are required for parking in clearly marked Disabled Parking spaces. These stickers are issued at the Oregon Division of Motor Vehicles.

Want a strong start — with smaller classes and lower tuition — close to home?

Now, you can take lower division collegiate courses anytime, anywhere! Literally!

UCC’s “anytime, anywhere” schedule for the Associate of Arts Oregon Transfer degree allows you to earn an AAOT online or in the evening, either exclusively or in combination, in four years (for students taking a minimum of eight credit hours per term).

Of course, these classes are still available during the “day”; students who take courses online or in the evening may take others during the day.

With UCC’s anytime, anywhere online and evening schedule, you begin a four-year degree even if work or family considerations make coming to the Roseburg campus difficult or impossible — And you still get the same small classes, individual attention from great instructors and low tuition.

What could be more convenient? Just use the evening course schedule or the online class schedule inside.

career pathways

Fast track your way to a rewarding career in less than a year with UCC’s career and technical programs.

The UCORE (Undergraduate Outreach and Research Experiences) program works to increase the number of people going into physical sciences, math, and engineering. UCORE’s focus is on recruiting physical science students. UCORE mission is to broaden students’ horizons as to the academic and career possibilities open to them in the fields of chemistry, geology and physics. Students earn $3,500, plus housing, for a 10-week summer internship on the University of Oregon campus conducting research in a chemistry, physics or geology laboratory guided by UO professors and graduate students.
