TITLE: Academic Suspension

ADMINISTRATIVE PROCEDURE # 709.02

RELATED TO POLICY # 709.02

Academic Suspension will be applied based on the criteria stated in Board Policy 709.02.

Students placed on Academic Suspension will be notified in writing by the Registrar's Office within one (1) week of the date the Registrar releases grades.

Once students are placed on suspended status any courses the students have pre-registered for will be dropped from their schedule. Students will be required to meet with the Manager of Advising, Testing, & Accessibility Services prior to registering for courses.

The Manager of Advising, Testing, & Accessibility Services will work with students to determine the appropriate actions and credit limitations necessary to help ensure future academic success.

Students placed on Academic Suspension must bring their cumulative GPA to a 2.00 or better to have the suspended status removed.

Students who feel an error has occurred in their academic record will have 90 days from date of letter or postmark on envelope, whichever is latest, to file an appeal with the Registrar's Office.

RESPONSIBILITY:

The Academic Standards Committee is responsible for implementing and updating this procedure.
