The Impact

"Our project demonstrates that if people are willing to work together anything and everything is possible. A book with a scholarship fund attached, from brainstorm to printed in 3 months, is pretty unbelievably spectacular."

- Georgina Pulman-Olzaski

"The challenge of leadership is to be strong, but not rude; be kind, but not weak; be bold, but not bully; be thoughtful, but not lazy; be humble, but not timid; be proud, but not arrogant; have humor, but without folly."

- Jim Rohn

- Nicki Day

"Leadership UCC has changed the way I look at leadership, relationships and the interconnectedness of the world. Knowing ten ordinary people came together, completing a class project that could change the life of even a single student is an amazing accomplishment and feeling. I am extremely proud to be a part of Leadership UCC and this remarkable group of people."

- Serí Hall

"Leadership UCC has taught me that leadership is a relationship, which was reflected in the effort and engagement that our class put forward for our project and in each class meeting."

- Shauna McNulty

"Don't believe everything you hear! I love the way connections were made with people outside of my department."

- Deidra Daigle

"It takes strength to look at yourself through the eyes of others, and even more strength to accept it. But once you do, great growth happens."

- Mique Shoemaker

"As a group, we made a vision become a reality."

- Andy Swan

"If you dream, don't just sit there. Gather courage to believe that you can succeed and leave no stone unturned to make it a reality."

- Roopleen

- Mary Waechter

"Leadership UCC has not only empowered me to become a leader, it has given me the tools to be a better mother, friend and coworker. For that I will be eternally grateful for this opportunity!"

- Lynne Smith

"Ordinary people can come together and create extraordinary results."

- Roger Kennedy
