Philosophy

Standards & Ethics

Equity & Accessibility

Cultivate a healthy and efficient institutional culture.

Deliver high quality, relevant education opportunities through innovative and specialized academic programming.

Support student success from recruitment, through program progression, completion of programs, and transfer or entry to the workforce.

Enhance integration of the college with the community.

A background image of a water droplet falling into a pool of water, creating ripples. The droplet is in the center, and the ripples spread outwards. The background is a light blue color with a green gradient at the top and bottom.
