## Course Placement

Placement tests cover reading, writing, and math. They take around two hours to complete, and the first attempt is free. The Placement Center has walk-in times, appointments, and has access to preparation materials. UCC utilizes multiple measures for recent HS graduates, using high school grades and your state assessment scores. [umpqua.edu/take-placement-tests](http://umpqua.edu/take-placement-tests)

## Financial Aid

The UCC Financial Aid website has information on federal financial aid, links to UCC scholarships, and information on veterans benefits and work-study. It is important to complete the Free Application for Federal Student Aid (FAFSA) as soon as possible, as there will likely be additional steps to complete through your student account. You can also earn a tuition waiver if you get involved in certain student activities, like Associated Students of UCC or Peer Mentors.

## Register and Pay for Classes

Registration dates are based on earned credits. Most registration is done online through Student Self-Service, but you can also visit the registration office in the LaVerne Murphy Student Center.

Payment is due the first day of the term. You can pay online in your Student Self Service, in-person in the Student Center, or by phone 541-440-4635. [umpqua.edu/cost-and-aid/tuition-fees](http://umpqua.edu/cost-and-aid/tuition-fees)
