How to read this: Read the chart down the side to find the first day of the week your class meets. Next find the starting time of your class. Go across the column for the time of day for your final and then read to the top, for the day of the week.

Exam Note: Day classes that begin at times other than those listed, or when the first weekly class session is on Wednesday, Thursday or Friday-the instructor will arrange for a final exam time that is open for all of the students in the class. Exam will be held in regular classrooms or via Canvas.

\*All exams are to be given as scheduled. Only emergency situations will student requests be granted for times other than those listed on this schedule. Night classes which meet only one night per week, will have the final on that night at the regular class time.
