

Welcome to UCC's Transfer Equivalency Self-Service. This tool is to help you input courses and exam scores (AP, IB and CLEP) that you have completed previously at another institution. The completed coursework will then be audited to see which requirements might be fulfilled for a program you are interested in. The results shown in the Transfer Equivalency Audit are not final and official transcripts will need to be sent to the Registrar's Office to be evaluated for official transfer credit and placement into the Student Audit.

This guide is to help you navigate through the Transfer Equivalency Self-Service and includes a FAQ and contact information for assistance at the end.

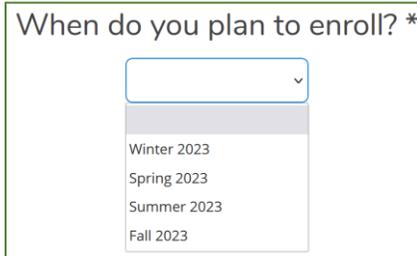

Let's get Started!

The next page has 4 questions to answer:

1. Enrollment Date – Choose a term you are interested in enrolling for:

2. Intended Level – There is only one choice, undergraduate:

3. Intended Degree – Choose a degree you are interested in. If you are unsure, try the AAOT as it is our 2-year Gen Ed transfer degree. You can always return and change this information:

What degree will you pursue? *

- AAOT-Assoc of Arts Oregon Trms
- AAOT-Elementary Education
- AAOT-Pre-nursing
- AAOT-Psychology Bushnell Univ
- AAS-Administrative Assistant
- AAS-Bus Tech Marketing

One thing to note before continuing:

The refresh icon  on the right side of the page is to only be used when wanting to start from the very beginning. If this button is clicked, then all information on the basic and transfer page will be deleted. This includes class and exam information. If you want to see where your previous coursework may fulfill in another degree/major, then click Basics at the top right of the screen.

The Transfer page is where you can choose to input information for classes or exams that you have taken. If you prefer not to add this information or don't have any previous work to add, you can choose 'I'm all done!' to view the audit of the required coursework for the degree you have chosen.

FAQ

Which program should I select if I'm unsure?

If you are unsure which program to select, try the AAOT. It is our broadest two-year transfer degree that helps with completing General Education at a 4-year institution.

I took my courses over 10 years ago, am I still able to add them?

Yes, you can still add courses that are over 10 years old by choosing the oldest term.

Why isn't my transfer work meeting a requirement?

The Transfer Equivalency is to be used as a guide of what may or may not work. While it shows it may not work here, it still may once your official transcripts have been evaluated.

What if the course I completed at another institution is not listed?

Not all courses from other colleges are listed in our system. Your courses may still fulfill requirements once your official transcripts have been evaluated.

Are the results I receive official?

No, this is only to be used as a guide of what courses you have previously taken to show which requirements they may fulfill. An official copy of your transcript will still need to be evaluated to find out which courses meet the requirements of your chosen degree.
